

# compact and versatile

SA510AV is a unique and versatile compact loudspeaker with an amazingly big sound. Hang it on the wall, suspend it from the ceiling or stand it on the floor. There is a range of accessories to suit every position.

The SA510AV is a classic representative for SA's technology because it clearly demonstrates how much sound a compact loudspeaker can produce. It is equally suited for playing all types of music as it is for recreating the sounds that bring your home cinema to stunning life.
